BUSINESS SUMMARY

Br8k Thru Support Services, Inc. is a licensed mental health agency providing culturally competent, comprehensive behavioral health services designed to support individuals, families, and communities. We are committed to delivering compassionate, evidence-based therapeutic interventions to promote emotional well-being and mental health recovery. Our team of highly qualified clinicians and professionals specializes in treating a wide range of mental health conditions including trauma, depression, anxiety, grief, substance use and mood disorders.

CAPABILITIES

Our team of licensed clinicians and support staff provide a wide array of services including:

- Clinical Mental Health Counseling: Individual, group, and family therapy tailored to meet the unique needs of clients both in-person.
- Crisis Intervention: Rapid-response services for individuals in acute distress.
- Substance Abuse Counseling: Support for individuals recovering from addiction, utilizing holistic and harm-reduction approaches.
- Workplace Wellness Programs: Mental health training and support for federal and corporate employees i.e., EAP and workshops or trainings.
- Community Outreach and Education: Workshops and seminars designed to reduce stigma and promote mental well-being.

DIFFERENTIATORS:

- Woman-Owned Small Business: Commitment to diversity and equity in service delivery and operations.
- Comprehensive Expertise: Licensed mental health professionals with decades of combined experience.
- Able to provide same-day services.
- Culturally Competent Services: Dedicated to serving diverse populations including veterans, marginalized communities, and underserved areas.
- Outcome-Driven Approach: Employing measurable metrics to assess progress and improve service delivery.

EXPERTISE:

Though Br8k Thru Support Services, Inc. is new to federal contracting, we bring a strong foundation of service excellence. Our staff of Licensed Social Workers and Professional Counselors have over 15 years of experience working in various settings from community to the prison system.
